Dear Ian

Glasgow Kelvin College – Disposal of West End campus – 75 Hotspur Street

Following advice from the Scottish Further and Higher Education Funding Council (the Council), the Scottish Ministers have considered their powers under section 18 of the Further and Higher Education (Scotland) Act 1992 (“the 1992 Act”) in relation to the disposal of the West End campus at 75 Hotspur Road owned by Glasgow Kelvin College.

This letter confirms that the Scottish Ministers consent, under section 18(1) of the 1992 Act, to the disposal of the property.

Yours sincerely

Dr Stuart Greig
