

**GLASGOW KELVIN COLLEGE****Learning and Teaching Committee – 08 May 2024****Update on Active Campus Coordinator****Report by Vice Principal Curriculum and Quality Enhancement****1. Introduction**

This paper provides an update on the work of the College's Active Campus Coordinator.

**2. Implementation of Active Campus Coordinator Role**

In Summer 2023, with the support of funding from Sports Scotland, the College successfully secured resources to employ a dedicated full-time Active Campus Coordinator for the duration of 2023 to 2025. Grant Sutherland was successful in applying for the role and has been leading activity across the College since August 2023.

Through a newly formed Active Campus Steering Group, and by collaborating closely with the Student's Association, and Sport and Fitness department, the Grant has played a proactive role in championing the integration of sports and physical well-being into the routines of students, staff, and our local communities.

The initial focus has been on engaging with students to establish a range of sports clubs, teams, and physical activity initiatives. Grant will provide a presentation at the meeting of the Committee with more detail on his progress so far within the 2023-24 academic year.

**3. Environmental and Sustainability**

There are no environmental and sustainability arising directly from this report.

**4. Resource Implications**

There are no resource implications arising directly from this report.

**5. Impact on Students**

Through encouraging a wider range of sport related activities, clubs, and events, an increased number of College students will participate in physical activities.

**6. Risk and Assurance**

This activity will protect and enhance the quality of the student experience.

**7. Equality**

There are no equality implications arising directly from this report.

## **8. Data Protection**

There are no data protection implications arising directly from this report

## **9. Recommendations**
