iii)	17 January 2023		
	Members noted the content of the November, December and January editions of LCIR for information purposes.		
7.	Finance		
	A Carr advised members on the following: - Year End cash projections remained unchanged; - It had become clear that the Sun Accounting system was unstable and no longer fit for purpose. Discussions had taken place with the supplier, Castle Computer Services Ltd., regarding a number of serious concerns held by the College including the fact that no security patches had been applied to the systems by the supplier in four years.		

Item	Action Agreed	Member	Target Date
	Current technical issues were hampering Finance Office operations. Meetings with the supplier were ongoing in an attempt to resolve the matter. Castle Computer service was the only supplier of Sun Systems in Scotland and it was unlikely they would be able to resolve the issue directly until some point in March. Potential replacement of the system was not something the College had budgeted for at this stage. A Carr would update the Committee at the next meeting.	AC	
8.	GDPR/Cyber Security		
	An Information Security Framework had been drafted and presented to SMT. The Framework would be further refined before presented to Audit and Risk Committee and the Board of Management.	LC/JQ
