Dear Mr Smeall

Industrial Action

I refer to my letter (by email) of 22 July 2024 containing the statutory ballot result in pursuit of the dispute lodged by the EIS with the NJNC Management Side (the Employers) representing your college on 20 January 2023, as required by Sections 231 & 231A of the Trade Union and Labour Relations (Consolidation) Act 1992. The ballot result gives the EIS a mandate for industrial action consisting of strike action and industrial action short of strike action (ASOS).

I hereby give notice that affected EIS members employed by Glasgow Kelvin College will be asked to undertake a programme of discontinuous industrial action consisting of strike action in pursuit of the dispute on the following dates:

20th, 21st, 22nd August 2024
27th, 29th, 30th August 2024

Further dates will be notified in due course.

Please note that, in terms of category, the affected members are all the EIS members employed by Glasgow Kelvin College:

1. Lecturing staff (promoted or non-promoted)

The affected members listed in the Appendix will be called upon to take part in the industrial action.

At the time this notice is given, the number of affected members is 194. This information is drawn from our membership database held centrally at this office. This database draws on information provided by our members and local representatives. Whilst significant effort is made to keep the database up-to-date, it is subject to possible defects in that we may not have up-to-date information from our members on their job titles and/or workplaces.

This communication is given for the purpose of Section 234A of the Trade Union and Labour Relations (Consolidation) Act 1992.

Yours sincerely,

A handwritten signature in black ink that reads "Andrea Bradley". The script is cursive and fluid, with the first name "Andrea" and last name "Bradley" clearly distinguishable.
