LIKE KELVIN**

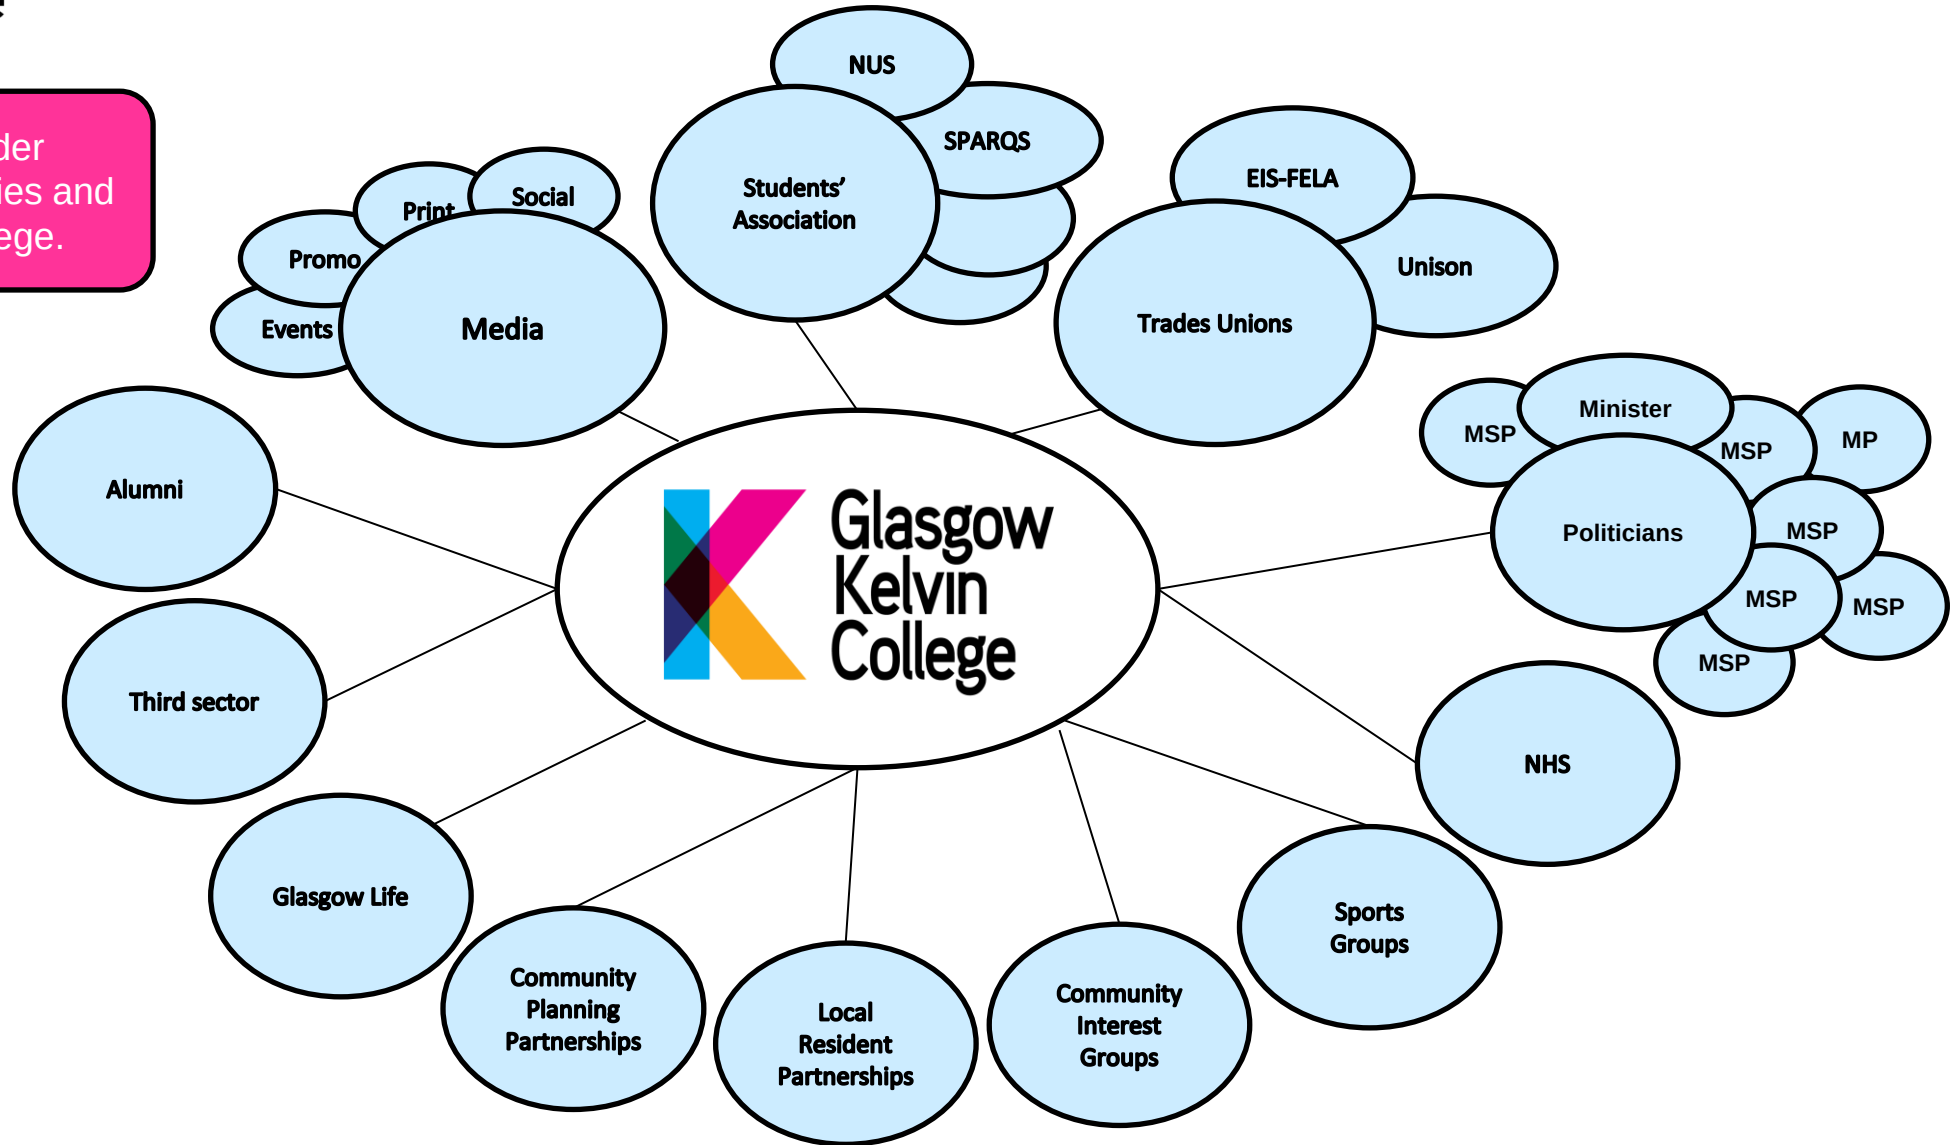

Education & Skills Partnerships

Directly influence / Impact recruitment and experience of students, whether funded, school or employed

Support the broader
Ambitions, Priorities and
needs of the College.

Education & Skills Partnerships

Engagement Example: North East Schools Partnership

Purpose of Engagement

- Recruitment Pipeline to Full Time College Courses
- Align Senior Phase to School Requirements
- Foundation Apprenticeship Recruitment
- New School/College Programmes

Nature of Engagement

- Regular Formal Partnership Meetings
- Individual School Engagement
- Faculty Engagement with School Sub Groups
- University Engagement

Key Opportunity:

Prepare and agree an engagement plan with partner schools aimed at making Glasgow Kelvin College the college of choice for post school education.

Operating & Governance Partnerships & Stakeholders Engagement Example: Skills Development Scotland

Purpose of Engagement

- Fund Modern Apprenticeships
- Foundation Apprenticeship Compliance and Transport Payments
- Communities of Practice
- Modern Apprenticeship Monitoring and Audit
- Identify and Access New Funding Streams
- Ensure that College Continues to be Strong Partner

Nature of Engagement

- Regular Operational Meetings
- Informal Discussions and Advice
- Sharing Best Practice
- Community of Practice Meetings
- Audit
- Pilot New Programmes or Processes

Key Opportunity:

Support SDS through upcoming transition and strengthen role as a key partner. Consider opportunities to pilot new programmes, processes and initiatives. Propose new opportunities to SDS that support College objectives. An example may be to examine how Foundation and Graduate Apprenticeships link and pilot new process through existing school and university partnerships

Other Partnerships & Stakeholders

Engagement Example: Elected Members

Purpose of Engagement

- Help Become Advocates for the College
- Raise Awareness of College and Activities
- Ensure Community Interests are
- Represented in College

Nature of Engagement

- Individual Visits to College
- Participation in College Events
- Targeted Communications
- Individual Meetings
- College Participation in Elected Member/Community Events

Key Opportunity:

Invite the Minister for Higher and Further Education to Glasgow Kelvin to highlight the College strengths and demonstrate its importance to the North and East of the City.
