

Item 08
For Approval

GLASGOW KELVIN COLLEGE
AUDIT AND RISK COMMITTEE – 6 SEPTEMBER 2022
AUDIT ACTION PLAN
REPORT BY DIRECTOR OF CORPORATE SERVICES

1. Introduction

As members are aware, it is good practice for both management and the Audit and Risk Committee members to monitor progress in implementing the recommendations made by the Internal and External Auditors. Members will recall that it was agreed that the College would maintain an Audit Action plan to provide the Audit and Risk Committee members with details of all 'high' and 'medium' grade audit recommendations raised by either the internal or external auditors.

The purpose of this report is to provide members with the current Audit Action Plan attached as Appendix 1. The Governance Action Plan (GAP) is a separate document and the actions contained therein are not repeated in the Audit Action Plan. The actions contained in the Externally Facilitated Effectiveness Review appear in the GAP.

2. Audit Action Plan

Appendix 1 provides the Audit Action Plan as at 29 August 2022. The document has been updated to reflect the current position in respect of the recommendations listed in the plan.

The audit activities concluded since the last meeting of the Audit and Risk Committee are:

- Quality Assurance – February 2022.
Report scheduled to be on the Audit and Risk Committee agenda of 6 September 2022.
- Performance Reporting / KPIs – March 2022.
Report on the Audit and Risk Committee agenda of 6 September 2022.
- Estates Strategy / Capital Projects – May 2022.
Report on the Audit and Risk Committee agenda of 6 September 2022.

Assuming the Audit Action Plan update as per Appendix 1 is accepted, the number of recommendations outstanding is as follows:

Grade	June 2020	Aug 2020	Nov 2020	March 2021	June 2021	Sept 2021	Nov 2021	Feb 2022	May 2022	Aug 2022
High	0	0	0	0	0	0	0	0	0	0
Medium	4	4	2	3	3	1	3	1	0	0
Low ¹	-	-	-	-	-	6	2	2	3	5

3. Resource Implications

The resources implications are mainly in relation to staff time to implement recommendations contained in the Audit Action plan.

4. Risk and Assurance

The Audit Action plan is an important mechanism used to manage risk and control issues raised through independent audit visits. This provides the Committee with management assurance that recommendations made by auditors are being addressed.

5. Equality

No adverse impacts on people with protected characteristics have been identified as a consequence of this report.

6. Data Protection

There are no new data protection matters arising from the contents of this report.

7. Recommendations

Members of the Audit and Risk Committee are recommended to:

- i) note the contents of this report and its appendix; and
- ii) approve the Audit Action Plan.

8. Further Information

Members can obtain further information on the contents of this report from Lisa Clark, Director of Corporate Services - lisaclark@glasgowkelvin.ac.uk or Jeanette Evans, Vice Principal - Operations - jevans@glasgowkelvin.ac.uk

Medium or High Grade Recommendations Carried Forward from 20-21									
Ref	Subject Area	Original Recommendation	Action Grade	Date Added to Audit Plan	Corrective Action required	Responsibility	Target Date	Management Progress	Auditor Review
	Business Development	A standard methodology or ready reckoner should be developed and implemented across the College to ensure that all additional training delivered by the College, including non-SFC training or learning, is accurately costed and all relevant financial implications are accurately identified, factored into decision making and recovered.	Grade 2 - Medium	March 2021		Director of Business Development/ Head of Finance	01 July 2021	March 2021 – Work has already commenced to address this recommendation and this will be further developed over the next few months. June 2021 - Management Accountants from the Finance Team are now involved in the costing of new commercial activity to ensure a robust and consistent approach. This is now being applied to projects that sit out with the Business Development/ Commercial team activity but have an element of commercial income attached to them. Methodology for calculating commercial margins has been tightened too, to ensure the College can maximise income here. September 2021 – A costing model has been developed to ensure that all aspects of commercial courses are accurately identified. The final version of this model is awaiting approval by college SMT is expected to be introduced by 1 October 2021. November 2021 - The proposed costing methodology has been developed and has been tested against a number of scenarios by the commercial team. This testing phase is drawing to a close with final changes to be discussed and agreed prior to submission to SMT for approval before Christmas. February 2022 – Finalisation delayed due to resource issues. Will be shared with SMT in February. May 2022 - The standard methodology has been agreed between Finance and Business Development and is being used. August 2022 - As many of the 21/22 programme costs had already been fixed, the model has not been extensively used yet. A review of commercial programmes will be undertaken for 2022/23 and this costing model will be utilised for that purpose.	
	Student Activity Data	R1 The records for the Digital Support distance learning programme or similar programmes should be improved to ensure that there is a full and centrally accessible record of student engagement and progress with the programme against set time related milestones. The records should be monitored on a regular basis to identify and exclude from the Credits claim, as appropriate, students who are not continuing with the programme. Copies of records should be retained and made available for audit.	Grade 2 - Medium	November 2021	The College will clearly specify within its course approval documentation the engagement and progress monitoring requirements for distance learning provision. The MIS Manager will meet with Senior Teaching staff to ensure that they are aware of the administrative requirements of on line provision Additionally, at the end of each block an audit, to mirror that conducted by the internal auditors, will be carried out on each group, to ensure that procedures and requirements are being met	MIS Manager	01 December 2021	November 2021 – The College will clearly specify within its course approval documentation, the engagement and progress monitoring requirements for distance learning provision. The MIS Manager will meet with Senior Teaching staff to ensure that they are aware of the administrative requirements of on- line provision. Additionally, at the end of each block an audit, to mirror that conducted by the internal auditors, will be carried out on each group, to ensure that procedures and requirements are being met. Process in place by end of Block One (Dec 2021) and finalised by audit Sept 2022. February 2022 - Head of SIS met with all teaching staff involved with delivering the Distance Learning curriculum and advised of the procedures and processes that were required to enable credits to be claimed for this type of programme. At the end of the first block (Dec 2021), Head of SIS conducted an audit on distance learning classes and fed back the findings and recommendations to both the Heads of Department and the associated members of teaching staff. The next audit will be carried out in March 2022, at the end of block two. March 2022 - At the end of the first block (March 2022), Head of SIS conducted an audit on distance learning classes and fed back the findings and recommendations to both the Heads of Department and the associated members of teaching staff. The next audit will be carried out in Aug 2022, at the end of block three. August 2022 - Block Three Audit – Ongoing Work is starting in Academic Session 2022/23 with the Faculty Directors to move all activity for distance learning courses to a Moodle platform. This will assist with reporting throughout the years and with year end final reports
